**GOVERNMENT'S REQUESTED QUESTIONS FOR THE JURY VENIRE**

The United States of America, by its attorneys, United States Attorney Michael J. Sullivan, and Assistant U. S. Attorney David Hennessy, hereby requests that, in addition to those questions commonly put to the venire in cases commenced in this Court, the Court pose the following questions to the prospective jurors in this case:

1. The United States of America is one of the litigants in this trial. You will hear the United States referred to throughout the trial as "the government." Have you, or any member of your immediate family, or anyone with whom you are close:

- (a) ever been employed by the federal government in any capacity?
- (b) ever filed a lawsuit or claim of any kind against any police or other law enforcement officer?
- (c) ever had any involvement, of any sort, with the City of Worcester Police Department?

2. Have you, any member of your immediate family, or any close friend ever been involved in a criminal proceeding? If so, please provide details at the sidebar.

3. Have you, any member of your immediate family, or any close friend ever filed a claim or lawsuit against the United States or any of its agencies, or answered a claim or lawsuit filed by the federal government?

4. Are you aware of any beliefs or feelings that you may have regarding the government that would in any way interfere with your ability to evaluate and judge fairly and impartially the facts of this case?

5. Some of the witnesses expected to be called by the United States at trial are Officers of the Worcester Police Department. Are you aware of any beliefs or feelings that you may have regarding such law enforcement witnesses that would in any way interfere with your ability to evaluate and judge fairly and impartially their testimony or the facts of this case?

6. Have you, any member of your immediate family, or any close friend ever received treatment for use of a controlled substance?

7. In this case, the government alleges that the defendant possessed cocaine base, otherwise known as "crack cocaine," with the intent to distribute it. Cocaine base, or "crack cocaine," is a controlled substance under the laws of the United States, and it is illegal to possess it with the intent to distribute it. Do you have any beliefs or views about the drug laws in general or crack cocaine in particular that would interfere with your

ability to apply those laws as I explain them to you?

8. Are you aware of any beliefs or feelings that would prevent you from completely and honestly applying the law, as I give it to you at the end of the case, to the facts as you find them?

9. Do you know of any reason why you cannot sit as a fair and impartial juror in the trial of this case?

Respectfully submitted,

MICHAEL J. SULLIVAN  
United States Attorney
